## ***MHA Announcements (Continued)***

**IMPORTANT:** The Mecklenburg Historical Association will cease using MailChimp as its mass email delivery platform on March 2, 2023. Zoho will be the new mass email delivery platform for sending all MHA communications (e.g.- MHA Monthly History Event Calendar, MHA Quarterly Newsletter, and other communications) beginning April 1, 2023.

This migration was needed due to changes in MailChimp's pricing structure.

Beginning April 1<sup>st</sup>, recipients will now receive emails with "Mecklenburg Historical Association" or "mha-news@meckdec.org" in the sender field of their email header.

Those subscribers who use SPAM filters for their email accounts need to include the following exceptions in their filter to prevent any possible disruption of service receiving future emails in the inbox from the MHA:

"Mecklenburg Historical Association"

"mha-news@meckdec.org"

"Mecklenburg Historical Association <mhanews@meckdec.org> "

There should be no need for concern if you do not use spam filtering for your email account. You will continue to receive monthly issues of the MHA Monthly Event Calendar on the 1st of each month unless otherwise notified.

Thank you for your time, attention, and understanding.
